

WHO WE ARE

A two arm UAE industrial group. EHLL leases heavy equipment and runs mining and construction logistics. Benzer Transport, our sister company, runs CICPA cleared oil and gas logistics on ADNOC fields, ports and pipelines. Together we put leased equipment and security cleared transport onto a single site as one bundle.

THE PROOF — ACCESS, FLEET, UPTIME

- ◆ **Access** CICPA cleared and ADNOC collaborating. We reach sites others cannot.
- ◆ **Fleet** Cranes, generators, lowbeds and flatbeds, earthmoving, waste, mining haulage.
- ◆ **Uptime** Telematics, predictive maintenance and full HSE compliance keep contracts on schedule.

FLEET AT A GLANCE

- ◆ **Mobile & crawler cranes** 25 to 800 tonnes, with certified operators and lift plans.
- ◆ **Power generators** 20 to 1250 kVA, paralleled to multi megawatt.
- ◆ **Flatbeds & lowbeds** to hydraulic modular SPMT for superloads.
- ◆ **Approved waste vehicles** Tadweer, Bee'ah and municipality approved.
- ◆ **Mining haulage** rigid and articulated dump trucks, pit to port, reconciled.
- ◆ **High value moves** air ride, climate controlled, escorted, insured.

CREDENTIALS

- ◆ **CICPA passes** critical infrastructure clearance for ADNOC sites (Benzer).
- ◆ **ADNOC collaboration** an established working relationship.
- ◆ **ICV** UAE domiciled, locally crewed fleet for a strong ICV score.
- ◆ **ISO 9001 / ISO 45001** quality and occupational health and safety.
- ◆ **Insurance** comprehensive plant, cargo and third party liability cover.

Certificate copies and reference details available on request. Figures are indicative.

COVERAGE & CONTACT

All seven emirates from forward yards in Dubai (JAFZA) and Abu Dhabi (KEZAD), with staging near major quarries and ports. 24/7 operations control room.
